Towne Family Reunion – 2022, Danvers/Salem, MA

Newsletter Indexer: Daniel A Towne

“About Towne” is the official voice of the all-volunteer Towne Family Association (TFA), incorporated in Delaware in 1989 and comprised of descendants of William and Joanna (Blessing) Towne and those interested in their family’s history.

William and Joanna immigrated with their family to Salem, MA, about 1635 from Great Yarmouth, England. In 1692 two of their daughters – Rebecca (Towne) Nurse and Mary (Towne) Eastie – were hanged as witches during the Salem witchcraft hysteria. A third daughter – Sarah (Towne, Bridges) Clayes/Cloyse – was jailed for witchcraft but escaped execution and was pardoned.

Unless otherwise specified by the source person or copyright holder, all submissions become the property of the association for purposes of publication and inclusion in historical files. “About Towne” is published quarterly: March, June, September and December.

The “About Towne” newsletter index is available on the TFA website. The index consists of two parts, one that contains names of all people mentioned in newsletter articles and one that contains all subjects and place names mentioned in the newsletter. In line with the new TFA project to catalog cemetery information, a special effort has been started in 2020 to ensure all cemetery information in the newsletter appears in the subject index.

If you would like to become a member, you may access the membership form on the TFA website, **www.townefolk.com**, or contact: membership@townefolk.com.

It is also possible to renew on-line at the TFA website, http://www.TowneFolk.com.
